

## University of Minnesota NIH Chemistry/Biology Interface Training Grant

**This form is for new applications for an initial year of CBITG support.**

Eligible students must be 1) US citizens or permanent residents 2) carrying out research in lab of a current CBITG faculty member and 3) completing their first or second year of graduate work.

Please assemble the following as one pdf file:

- 1) the application form below
- 2) a 1-2 page (double-spaced) project description including goals, methods to be used, significance, and the interdisciplinary component to be carried out in a co-advisor's laboratory. The proposal should be written in your own words (no plagiarism!). (A co-advisor will generally be chosen from the list of CBITG faculty (see Program Description), but awards may also be given to an applicant with a co-advisor outside of this list.)
- 3) a copy of your graduate transcript including spring semester '09 grades.
- 4) letters of support from the advisor and co-advisor. If advisors prefer, they may email letters to Nancy Hagberg (hagberg@umn.edu) confidentially.

**SUBMIT ELECTRONICALLY by 8:00 a.m. on May 26, 2009**  
**TO:** Nancy Hagberg (hagberg@umn.edu)
