## NIH Chemistry/Biology Interface Training Grant

**This form is for first-year trainees seeking renewal of their CBITG support.**

Please submit the following electronically as a pdf:

- 1) A 2-3 page (double-spaced) report of your research progress in the past year (page limit includes figures and publications/poster presentations from this work if applicable). The report should be written in your own words (no plagiarism!).
- 2) A paragraph (1/2 page at most) description of the cross-disciplinary component of your work and any work carried out in your co-advisor's lab. If you have not yet carried out this aspect of your work, a plan for doing so should be described.
- 3) A description of training grant activities you have participated in (e.g., CBC, annual symposium, journal clubs, participation in co-advisor's group meetings, etc.)
- 4) a copy of your graduate transcript
- 5) letters of support from the advisor and co-advisor (this is NOT required for final reports). If advisors prefer, they may email their letters to Nancy Hagberg (hagberg@umn.edu) confidentially.

**SUBMIT ELECTRONICALLY TO:** Nancy Hagberg (hagberg@umn.edu) by 8:00 a.m. on **May 26, 2009**
